### Ordering Multiple Doors

If you order more than 1 storm door, use multiple sheets and indicate the number of pages at the top of the form.

### Superview Doors

Available in limited colors and optional hardware. Non-standard closers and any other options indicated with an asterisk are not available for Superview doors. Only available in standard sizes 30", 32" and 36" x 80" and 81".

### French Doors

To order French (double) doors, indicate the entire opening size in inches, check the "French Doors" box, and indicate the total number of openings in the "Quantity" field.

### Pre-Hung Doors

When ordering pre-hung doors, face the door from the outside and specify whether the hinges are on the left or right.

### Standard Sizes

Standard size doors should be ordered as nominal size.

Standard Sizes <small>Standard sizes vary by model, please refer to specific door models</small>		Opening Size Ranges			
		Z-Bar		Expander	
		Minimum	Maximum	Minimum	Maximum
Nominal Width	30"	29 3/4"	30 1/8"	29 7/8"	31 3/8"
	32"	31 3/4"	32 1/8"	31 7/8"	33 3/8"
	36"	35 3/4"	36 1/8"	35 7/8"	37 3/8"

## Measuring Instructions

All measurements are taken from the outside door frame opening.

### Width:

Take three measurements from the inside of the brickmold; top, center and bottom. Use the smallest figure to the nearest 1/8".

### Height:

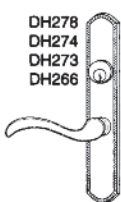

Measure the height from the top of the opening to the sill. Measure both sides and use the smallest figure to the nearest 1/8". For French doors, also measure the center height.
