Dear Julius,

Lost and homeless dogs and cats will now have a second chance, thanks to your 2010 donation of vinyl siding to Friends of Animal Control and Rescue. From special care at the shelter to adoption, rescues and more, your support is helping pets being returned to their owners, saving orphan and homeless pets from a hard almost certainly short life if left alone on the streets or possible euthanasia if taken to an already crowded animal shelter.

Gifts to Friends of Animal Control and Rescue are tax deductible to the extent provided by law. No payment cash or check has been provided to the donor by Friends of Animal Control and Rescue in consideration of this gift. Friends of Animal Control and Rescue is a 501(c)3 registered nonprofit. Tax ID #61-1600401.
