WELCOME

Home Improvement Financing is here!!!

That Home Improvement Guy can help you to take advantage of our nationwide network of lenders that

will provide unsecured home improvement loans and swimming pool loans for your customers. Month-to-month payment loans, installment loans, deferred monthly payment loans and same as cash loans are available. **Home Improvement Loan amounts can be as high as \$25,000** and the applicant **FICO (credit score) can have a credit score as low as 580** and sometimes even lower. Programs will vary from state to state based on the type of home improvement loan or swimming pool that is being financed.

As always... all programs are subject to change without notice.

Our home improvement financing companies are perfect for new businesses or existing businesses...

Our home improvement loan lenders don't care if you are doing less than \$200,000 in sales or if you are a brand new company. Most of our home improvement financing lenders will not look at your personal credit for your company to become an approved contractor to offer home improvement financing! Contractors of all sizes are welcome to use the home improvement loan lenders we promote. And... nearly 100% of the home improvement contractors who have proceeded with us have been approved into "Company X/3, Company X/5, Company 10 and Company 7." So... no matter what, we have at least two or three home improvement lenders that you can get started with today!

Our home improvement loans can be used for any manufacturers products...

You will be able to use any manufacturers' products for almost any kind of home improvement or swimming pool job with our home improvement loan programs. This gives you the flexibility to offer any products to your customers.

Home Improvement Loans are available in all 50 states. As we mentioned, **That Home Improvement Guy** can help you if you need unsecured monthly payment loans or same as cash loans (90 days, 180 days and 365 days - with minimum payment). Interest rates begin at **8.99%**. **Loan payments max out at 180/240 months**. This gives the homeowners the option to make very low payments so they can afford the home improvements you have offered him.

We can teach you and your sales team how to offer home improvement financing to your customers...

That Home Improvement Guy will teach you how home improvement loans can help you increase sales in at least two ways. First, you will be able to sell more jobs by offering home improvement loans. More jobs means more profits for your business. Second, by learning how to promote home improvement loans in your advertising and marketing strategy, **That Home Improvement Guy** will show you how to get more leads. More customer leads also means more sales and more profits!

If we can help you gain more sales and gain more leads, you will soon realize that it is costing you thousands of dollars of lost sales and profits by not taking advantage of the home improvement loans suggested by **That Home Improvement Guy**. Don't let one more day go by without helping your future customers use home improvement financing to pay for your job!

If you can get one extra home improvement job financed...

If we can help you get just one extra job a month... Or, for you bigger companies... one extra job a week... Would it be worth taking a look at what we offer?

All Home Improvement Contractors will be approved to offer home improvement loans...

Almost every contractor will be approved to offer home improvement loans for most of the home improvement loan companies we suggest. If you are a new company, call us. Even if you have suffered financially and you have had recent difficulties you can still be approved to offer financing. Most of the companies we work with do not make their decisions based on your personal credit.

\$499.95 one time enrollment fee for home improvement loans...

Yes, we do have an enrollment fee. We are going to provide you with valuable information that will allow you to sell more business. **That Home Improvement Guy** is offering you a service that you will not find anywhere else in the USA. So quit wasting your time, your energy and your money trying to find the lenders. We know who they are, where they are and which ones will do business with you. That's what we do! So get enrolled so you can start sending in homeowner applications today!

Call us today about offering home improvement loans...
